

ADVISORY GUIDE TOOL

NGN Adviser Guide

The NGN Corporation adviser serve as liaison between the Club NGN and school administrator. Becoming the NGN adviser is rewarding and futuristic with the sense of purpose in changing the world for the next generation. The NGN adviser tool is a guide to understand what it takes to become NGN adviser.

Role of the adviser is to ensure that the next generations of leaders are groomed to lead the world with deep sense of eradicating global issues by year 2120.

An Adviser must

- Understand the Next Generation Nations' Mission and Vision
- Know what key element are of "The Next Generation Nations Goals 2120"
- Take responsibility to mentor the NGN and Club NGN members

Leaders are Made

Adviser's role is to teach leadership skills to all members. With your vast knowledge and experience in community services and management skills, you will inspire the next generations to lead the world. You don't need to necessarily do all tasks by yourself. As an adviser you will delegate tasks to members. Show leadership by becoming a role model.

Key Responsibilities of the NGN adviser to the school and faculty adviser

- Promote NGN vision, mission and goals to the school faculty adviser and administrator
- Provide guidance and training to school and faculty adviser to run Club NGN
- Encourage transparency in communication between NGN, school faculty and Club NGN members

Key Responsibilities of the NGN adviser to Club NGN:

- Become part of Club NGN weekly and board meetings
- Co-ordinate service projects and events
- Provide resources and connections in arranging service and fundraising projects
- Provide guidance to Club NGN members in promoting NGN mission, vision and goals
- Build the next generation leaders by becoming a role model and mentor to Club NGN members
